

LOCAL NEWS.

DEATH OF GEN. LEE.

Never, since General Washington died, has any death produced, in this city, such manifestations of universal regret as that of General Robert Edward Lee. Since the news of his demise first reached here, on Wednesday night last, the people at large, irrespective of their political opinions, have talked, and apparently, thought, of nothing else, and expressions of heartfelt sorrow for the personal loss each one seems to have sustained, and of sincere sympathy for the family of the dead gentleman, have been general and continuous. All the Corporation offices, the Gazette office, the telegraph offices, Adams' express office, nearly all the stores on King street, and many private residences are draped in mourning, the flags of the steamers and shipping in port are flying at half mast, and the bells of the city are tolled at intervals.

MEETING OF THE CITY COUNCIL.

The Common Council met at its chamber last night a short time before eight o'clock. There was but a small attendance within the bar and fewer spectators than usual without.

The Chair announced that the meeting had been called to take into consideration the following communication from the Mayor:

MAYOR'S COMMUNICATION.

ALEXANDRIA, October 13, 1870.
To the Honorable City Council:
Gentlemen—The sad and mournful duty devolves upon me to inform you officially of the death of the patriot, General Robert E. Lee, who died at his residence, in Lexington, Va., on the 12th instant.

The language of eulogy is mute; the eloquence of the orator is vain in any attempt to add lustre to the character or fame of that truly great man.

The people of the world, where his name and deeds are known, with one accord, acknowledge his virtues and his greatness.

Calm and judicious in council; brave, skillful and energetic in the field; merciful and magnanimous in victory; adversity could not depress him, success could not make him forget that he was a Christian and a soldier.

The world will mourn his death; this country will grieve, and the South, the chief mourner, will bow with humble submission to the Divine will and sorrow for this great bereavement, but not as those without hope.

To you, gentlemen, is assigned the duty of testifying the feelings of this community at this dispensation of Providence.

HUGH LATHAM, Mayor.

After the communication had been read the Chair suggested that a joint meeting should be held to take the subject into consideration.

Upon the motion of Mr. Shinn, the Aldermen were invited to the Council chamber and came in, the President of the Aldermen, W. H. Marbury, taking a seat on the right of the Chair.

The Chair having announced the object of the meeting.

Mr. Shinn introduced the following resolution, which was unanimously adopted:

Resolved, That a committee of two from each ward be appointed by the Chair to draft resolutions expressive of the feelings of this community, occasioned by the sad announcement of the death of Gen. Robt. E. Lee.

Aldermen French and Markell, and Councilmen Wheat and Wedderburn were appointed said committee.

The committee retired and on their return, through Mr. French, who paid a compliment to the Mayor's communication, reported the following which were unanimously adopted:

Whereas, in the dispensation of an all-wise and merciful Providence, we are called upon to mourn the death of General Robert Edward Lee; as his friends and former neighbors, we have assembled to unite in expressing our heartfelt sorrow at the great affliction which has befallen his family and humanity at large. In his conduct through life he was an ornament of the age in which he lived; his memory is enshrined in the hearts of his countrymen, and his life adorns the pages of our country's history.

Resolved by the Board of Aldermen and the Common Council of the city of Alexandria, That we have heard with deep and heartfelt sorrow of the death of Gen. Robert Edward Lee, a Christian gentleman, whose memory as a patriot and soldier, and whose services to his country and to his associations with us in the past.

In him we deplore the loss of one who, by precept and example, has ennobled and adorned human nature; liberty never had a more sincere and disinterested votary, nor humanity a truer friend.

The land of his birth sorrows, weeping over its loss, but it does not bound his fame; for in the hearts of the good and great throughout the civilized world, his memory is enshrined, and in union with our own is the sad intelligence that he has been called away from us, reaches them.

With his afflicted family we condole and but unite our sympathies with those of the country at large.

Resolved, That the public buildings in this city be draped in mourning for the period of thirty days.

Resolved, That the town bell be tolled at intervals of three minutes on the day of the funeral ceremony, and that the owners of other alarm bells be requested to cause such an observance of respect.

Resolved, That the merchants and business men of our city be requested to close their places of business on the day of the funeral.

Resolved, That the above preamble and resolutions be recorded among the minutes of the Common Council, and that a copy of them be forwarded to the family of the deceased.

The Chair stated that there was no information as to the time or place of Gen. Lee's funeral. It was supposed by some that his remains would be brought here for interment. In that case further action on the part of the Council would be necessary.

Mr. Wedderburn stated that he had sent a dispatch to Senator Snowden making inquiries, but had as yet received no answer.

It was finally agreed that in case information needing further action was received, a called meeting of the Council should take place, and with this understanding the boards separated and severally adjourned.

MEETING OF THE CORN EXCHANGE.

An adjourned meeting of the Alexandria Corn and Produce Exchange was held at the rooms of the association this morning. Capt. M. Eldridge, President, in the chair, and W. B. Price, Secretary.

The President stated that the Association had been called to order, pursuant to adjournment, to hear the report of the committee appointed to draft resolutions, expressing the sad feelings of the association, occasioned by the death of General Robt. E. Lee, and pronounced a brave and noble Virginian; in paying homage to whose memory, members of the association of all shades of political opinion cordially unite.

The Committee on Resolutions, consisting of Geo. C. Wedderburn, Geo. H. Robertson, P. B. Hooe, Geo. R. Shinn, C. G. Brown, submitted the following report:

Whereas it has pleased the Almighty, in His supreme wisdom, to remove from us General Robert Edward Lee, the noble soldier, the Christian gentleman, the great and good man, whose heroic services, lofty sacrifices, pure and stainless character had endeared him to the hearts of every Virginian; and in humble submission to Divine will, we feel a sorrow and sense of affliction which words are inadequate to express, and which will dwell in our hearts

and memories as long as our pulse may throb. Resolved, That while we feel no one can console us in the widow and child bereaved in such a crushing bereavement, we extend to them the sympathy which flows from hearts full of love, admiration and gratitude.

Resolved, That as citizens of the place in which he long resided, we share, with the people of the Commonwealth of Virginia and of the whole country, the profound grief which is felt in the loss to the land of this illustrious man.

Resolved, That the hall of this association be draped in mourning for the space of sixty days, that the business of the association be suspended, and that the merchants of the city be requested to close their places of business on Saturday, the 15th instant, the day of the funeral.

Resolved, That the Secretary send a copy of these resolutions to the family of the deceased and that a copy be published in the city papers, and be entered on the records of the association.

On motion the report was unanimously adopted, and the association adjourned to Monday, 17th insts.

MEETING OF EX-CONFEDERATES.

Pursuant to adjournment a large meeting of ex-Confederate officers and soldiers was held at 11 o'clock this morning, for the purpose of receiving the report of the committee appointed yesterday. Gen. M. D. Corso presided, and Capt. K. Kemper acted as Secretary.

The meeting was opened with prayer by Rev. (formerly Captain) R. H. McKim.

The committee, Col. G. W. Brent, Col. L. B. Taylor, Col. Morton Mayo, Major Gen. Duffey and Captain W. M. Stuart, through their chairman, Col. Taylor, who prefaced it with a few appropriate remarks, presented the following report, which was unanimously adopted:

The melancholy and appalling intelligence communicated by telegraph, on Wednesday last, has been but too fatally confirmed. Our chief has fallen by the hand of the great destroyer; the hero, the patriot, the great and good Virginian, to whom in the darkest hours of our adversity and reverse, we always look to, and in whom all our hopes were centered.

Robert Edward Lee has passed from earth to the reward of the just made perfect, and lives now only in his own great actions and in the hearts of an affectionate and afflicted people.

Truly say we, we shall never look upon his life again.

With pride may we look back upon his career and challenge the world to produce his equal. The fame of our hero is as pure and as enduring as the stars of the firmament; it will shine as brightly as the sun, and will be as great in death, he will live forever in the hearts of a grateful and admiring people. It only remains for us to adopt suitable resolutions of respect to the memory of our beloved General; and therefore,

Resolved, That we have heard, with poignant grief and the profoundest sorrow, of the death of that great and good man, Robert Edward Lee.

Resolved, That in his death Virginia has lost her greatest, best and noblest son.

Resolved, That as a token of our respect and grief for the gallant dead, we will wear the usual badge of mourning for six months.

Resolved, That it is eminently proper that a day be set apart upon which the people of Virginia may unite in fasting, lamentation and prayer, in commemoration of the great calamity which has befallen them.

Resolved, That the chairman do transmit a copy of these resolutions to Mrs. Mary Custis Lee, the widow of our noble chief, with assurances of our sincere sympathy and heartfelt condolence with herself and family in the great loss they have sustained.

Resolved, That these resolutions be published in the Alexandria Gazette, and that a copy be forwarded to His Excellency the Governor of Virginia.

On motion of Col. Arthur Harburt, it was resolved that if the remains of the deceased are brought to Alexandria for interment, the officers and soldiers of the ex-Confederate army, in this city, attend the funeral in a body.

On motion of Col. M. D. Ball, the meeting adjourned to attend the citizens' meeting to be held at Liberty Hall at 12 o'clock.

MAYOR'S PROCLAMATION.

ALEXANDRIA, October 14, 1870.
The sad intelligence of the death of that great and good man, General Robert E. Lee, has cast a gloom over our people and clouded each breast with sorrow.

Under such circumstances, it is peculiarly the duty of this community to abstain from all secular business on the day of the funeral, which will take place to-morrow at 12 o'clock. Therefore, in obedience to the expressed wish of the City Council, all the citizens of Alexandria are requested to close their places of business on Saturday, the 15th instant, until 6 p. m.

Circumstances and necessity require the holding of market; but it is ordered that the market must close at 9 a. m. and remain closed until 6 p. m. It is requested that several bells in the city be tolled at intervals of three minutes on the day.

TELEGRAPH NEWS.

[SPECIAL DISPATCHES TO THE GAZETTE.]

FOREIGN NEWS.

TOURS, Oct. 14.—It would seem to be the purpose of the Prussians to occupy Orleans for some time.

A large force of Germans yesterday re-entered Pithiviers and ill treated the inhabitants. They then marched to Saintay, twelve kilometers beyond, towards Blois.

A decree of the government authorizes the Prefect at Fontainebleau to take all possible measures to save objects of art and value at the palace.

Lists of the articles hidden or removed are to be kept.

The Greek charge d'affaires has arrived here from Paris, having obtained permission to cross the Prussian lines.

It is reported that two delegates have arrived from the Paris government with instructions for Gambetta.

News received here shows that Bazaine's sorrier, Metz, on the 7th and 8th and 10th insts. were exceedingly successful. Several Prussian regiments were cut to pieces and a large amount of provisions and munitions captured. The Prussians were forced to change positions for fear of being cut apart.

Tours, Oct. 13.—A balloon reached Little today from Paris. With the letters and dispatches by this balloon was sent a person to establish a system of carrier pigeon service between this city and Paris, by which daily communication may be sustained between the government authorities in both places.

The Prefect of Vernon announces the entrance at Gisors of a force of 3,000 Prussians with artillery, who are commanded by Prince Albert. They have halted, and are awaiting the arrival of more troops, with which they will march upon Rouen.

The Prefect of Colmar announces that the siege of New Breisch continues. The town is completely surrounded by heavy detachments of Prussians, who are well supplied with artillery. They are making enormous requisitions of supplies for their commissariat.

LONDON, Oct. 13.—Advices from French sources admit that since 6 o'clock Tuesday evening the Prussians have held possession of Orleans.

BERLIN, Oct. 13.—The Queen has received the following dispatch from the King: "Versailles, Wednesday.—Thousands of prisoners fell into our hands as the result of Von der Tann's victory near Orleans. The battle lasted from 9 o'clock in the morning to 7 in the evening, and was fought on difficult ground. The capture of Orleans followed. The losses of the French were heavy. Ours were small. Details of the battle are wanting."

Tours, Oct. 14.—A dispatch from Epinal dated yesterday p. m. announces that the Prussians have entered that place. The citizens made a street defence, but were not able to resist the enemy's artillery. The town was considerably damaged by the cannonade. Epinal is a city of about 15,000 inhabitants in the Department of Vosges on the Moselle.

Tours, Oct. 14.—It is reported unofficially this morning that the Prussians seem to be falling back from this side of Orleans. They are no longer in Beaugency and Meung.

These towns are nearly fifteen miles South of Orleans, and are the most extreme points in this direction yet reached by the enemy.

The troops which were sent forward to reinforce the 15th corps and which subsequently participated in the recent actions near Orleans, are again arriving here. From reports of their officers it seems that the losses sustained in the two days' action were not nearly so heavy as at first reported.

LONDON, Oct. 14.—One of the gunners on the Paris fortifications has particularly distinguished himself by the great accuracy with which he points his guns. He has thus far frustrated all the efforts of the Prussians to construct offensive works within range of his guns. He is an Alsatian, named Christian.

The authority reporting this mentions that the Prussians have not yet been able to plant a single battery near enough to disturb any part of Paris.

A steady fire has recently been maintained from Forts Mont Valerien and D'Issy. The Prussians have been compelled to retreat from the fire of these forts behind the plateau of Meudon and St. Cloud. The morale of the French soldiers is excellent.

They are drilling constantly. Wooden huts for the troops are arriving at the Prussian position before Metz.

LONDON, Oct. 14.—The telegraphs and mails are bringing accounts of the late storm from all directions. Heavy showers prevailed in the mill region of Lancashire, raising the stream and causing disastrous freshets. The shipping in the Mersey was badly damaged. No American losses are yet reported. The land telegraph lines throughout Ireland were prostrated, delaying and disorganizing the Atlantic cable service throughout the city. Liverpool has already voted relief to the suffering in that region.

Death of Gen. Lee.

RICHMOND, Oct. 14.—A message has been received here by Mr. A. M. Kelley, chairman of the committee of the House of Delegates, to the effect that the family of Gen. Lee would not be averse to the burial of his remains in Hollywood Cemetery, Richmond, Va., on the section belonging to the State.

The committee of the House therefore left the city this morning for Lexington. These facts were announced in the Legislature this morning, and that body adjourned till Tuesday next. It is now believed that the body of Gen. Lee will reach here on Monday.

RICHMOND, Oct. 14.—The Legislature has adjourned until Tuesday evening that the body of Gen. Lee will be brought here for interment. Advice from Lexington states that the funeral will take place there at 11 o'clock to-morrow. The cause of his death in the opinion of physicians was mental and physical fatigue inducing nervous congestion of the brain which however never proceeded as far as apoplexy or paralysis. The body was removed to the chapel yesterday. The capitol here is draped in mourning.

NEW ORLEANS, Oct. 14.—Business is suspended here and houses throughout the city are draped in mourning in respect to the memory of Gen. Lee.

MEMPHIS, Oct. 13.—In consequence of the lateness of the hour at which Gen. Lee's death was received there was no formal expression of sorrow.

The Daily Press is dressed in mourning. The majority of the business houses, including the telegraph and express offices and banks are draped with portraits of Gen. Lee hung with crape. At a meeting to-night a committee was appointed to take steps for suitable expressions of sorrow.

CHARLESTON, S. C., Oct. 14.—The death of Gen. Lee caused profound sorrow here. Bells were tolled all day yesterday and the flags are half masted on the shipping, and throughout the city. The chamber of Commerce met this morning and took appropriate action, and there is a public meeting called for to-morrow noon to do honor to the great departed. Business will probably be largely suspended during the day.

The Elections.

INDIANAPOLIS, Oct. 14th.—The election of the Democratic State ticket is conceded by all parties. Eighty-five counties heard from, returns from most of which are official, give the Democrats 127½ majority.

jority in the House of Representatives; the Senate is a tie.

Gen. Shank's (Rep.) majority in the 9th Congressional district, will not exceed 200. The result for Congress in the 4th district is unknown. Genera. Colburn (Rep.) has a majority in the 5th district of 378.
